Re: *United States v. Fabiola Mompont*
Ind. # 22 Cr. 514 (PGG)

Dear Judge Gardephe:

Recently, Pre Trial-Services informed the Court that Ms. Mompont may have tested positive for alcohol and TCH and requested that the Court schedule a hearing which would "strongly reinforce the importance of the defendant maintaining her sobriety as she approaches sentencing." As a result, Your Honor scheduled a bail hearing for February 8, 2024, and a sentencing hearing for March 8, 2024.

After speaking with the government, it is our joint and respectful request that the Court advance Ms. Mompont's sentencing hearing to February 12, 2024 (I am out of State on February 8) in lieu of a bail hearing so that all issues can be addressed, and the Court can impose sentence at that time.

Thank you for your consideration.
